Education

Diploma in Full-Stacked Software Development

July 2020 - Jan 2021

CODE INSTITUTE - WEB DEVELOPMENT BOOTCAMP - ONLINE

In Code Institute's online bootcamp, I will obtain all the necessary skills to qualify as a full-stacked software developer. Thus far, I am capable of using HTML, CSS and Javascript. I will also be learning Python, MySQL, MongoDB and Django.

Degree of Bachelor Arts with First Class Honours in Chinese Studies and English

Sep 2016 - July 2020

UNIVERSITY OF LIVERPOOL - UK

I recently graduated with a BA First-Class Honours in English and Chinese Studies. My proudest work was my dissertation on King Lear, which, beyond what it taught me about Shakespeare, also taught me invaluable lessons about time management, organisation, commitment, critical thinking and the belief in the capability of oneself. However, as implied by my degree title, half of my degree was also dedicated to Chinese Studies, which mostly consisted of learning the language - Mandarin. In the final year, those skills were put to test in a 5,000 word translation of a crime novel by Cai Jun.

A-Level

10 GCSEs with grades A - B.

Hospitality Service

2017 - 2018

THE KING'S DEMON - UK

When working in the hospitality sector, I was responsible for providing exceptional quality of service to customers, but was also entrusted with finances, opening and closing the establishment, along with several other responsibilities. I worked hard and fulfilled my duties to the highest standard.

Voluntary

2014

NURSERY FARM KENNELS - UK

When in school, I devoted several weeks volunteering in a local kennel. I spent my time caring for the gorgeous animals - ensuring everything, and everyone, was clean, healthy and happy.

Dear Sir or Madame,

Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries
